Dear Mr. McCauley:

This Center has received your application, dated May 18, 2009, to join DSCC's Qualified Suppliers List of Distributors (QSLD) program. Based on our review, your facility, CAGE code 0VNM1, at 1003 East Newport Center Drive, Deerfield Beach, FL is considered a qualified distributor eligible to supply FSC 5961 and 5962 military and commercial grade product, as dictated under the Criteria and Provisions document for the QSLD program. All devices are to be controlled and managed from your Deerfield Beach, FL location. No other locations for your company are qualified under this program. Per your application, products can be shipped to MIL-Pak in Dayton, Ohio for packaging

This qualification is valid for three years from the date of this letter and can only be terminated by written notification from this Center. For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions Booklet for the program. At the end of the three year period, your company must resubmit an application to remain in the program.

Note: The acceptance of your company into this program does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements.

Sincerely,

JOSEPH GEMPERLINE
